STAT 4. (Unclassified - JSW) Talked with Representative Frank Osmers in connection with his letter to the Director in which he enclosed a letter from a constituent, one [redacted] who has spent considerable time in India. Osmers thought we would be interested in her story. After checking this with NE Division, I advised Osmers that we knew of this person and knew of many of her contacts including the organization mentioned in her letter. I indicated we were appreciative of receiving these types of items since on occasion they were found to be very useful. Osmers was appreciative of my call and said he felt all Americans and Congressmen should be more intelligence minded and willing to help the Agency. No answer is requested.

STAT 5. (Internal Use Only - JGO) In meeting with Mr. Francis McNamara, Staff Director, HCUA, advised that although our people are familiar with the fact of the Vietnam advertisements which appeared in the Washington Post and other papers and of Manol radio comments on the ads, that this is not an area of interest for our people. In consequence we had no information which would be useful for the Committee for background use in the proposed Committee hearings. (See Journal Item 4, 16 Apr 63)

STAT 6. (Unclassified - GLC) Left a message with Scott Peek, Administrative Assistant to Senator George A. Smathers, that sufficient interest had been shown in the application of [redacted] to warrant our writing him and requesting that he complete full application materials. I added that we would do everything we could to expedite his application as Peek had requested.
